Los Angeles, California 90025

Dear Mr. Dixon:

Mr. Bruce Samuel, Consultant to the Assembly Transportation Committee, asked that I reply to your letter of April 2, 1969, concerning the Mineral King project. Attached for your information is a copy of the Department of Public Works' report to the Legislature on the financing of State Highway Route 276 to Mineral King. This report was requested by House Resolution No. 497 of the 1968 Regular Session.

While planning is currently under way on this project, there are no formal reports under preparation at this time. We will be happy to send you copies of any future reports on this project.

Sincerely,

D. L. Wieman
